PORTFOLIO

Ads get you noticed. Codes get you chosen.

Marketing and technology agency in Dubai. Brand, content, ads, websites, SEO and AI agents through one point of contact.

adsncodes.com · BurJuman, Dubai

WHO WE ARE

One partner for the marketing and the technology.

We help UAE businesses grow with marketing that gets attention and technology that turns it into customers, and we build AI into both. Take a single service, or bring us in across all of it.

01

Marketing

Get seen by the right people.

Digital marketing and paid ads, branding and design, personal branding, influencer marketing, UGC content

02

Content

Make them stop and care.

Content and creative, copywriting, photography, video production, events

03

Technology

Turn attention into customers.

Websites and e-commerce, SEO and AI search, apps and software, workflow automation, WhatsApp AI agents

HOW WE WORK

Every customer takes the same four steps. We build each one.

01

Noticed

They see you for the first time, on social, in ads or in a video.

Social media and ads

02

Trusted

They check your brand, website and Google before they decide.

Branding, web and SEO

03

Answered

They message you, and get a reply in seconds on WhatsApp.

AI and automation

04

Grown

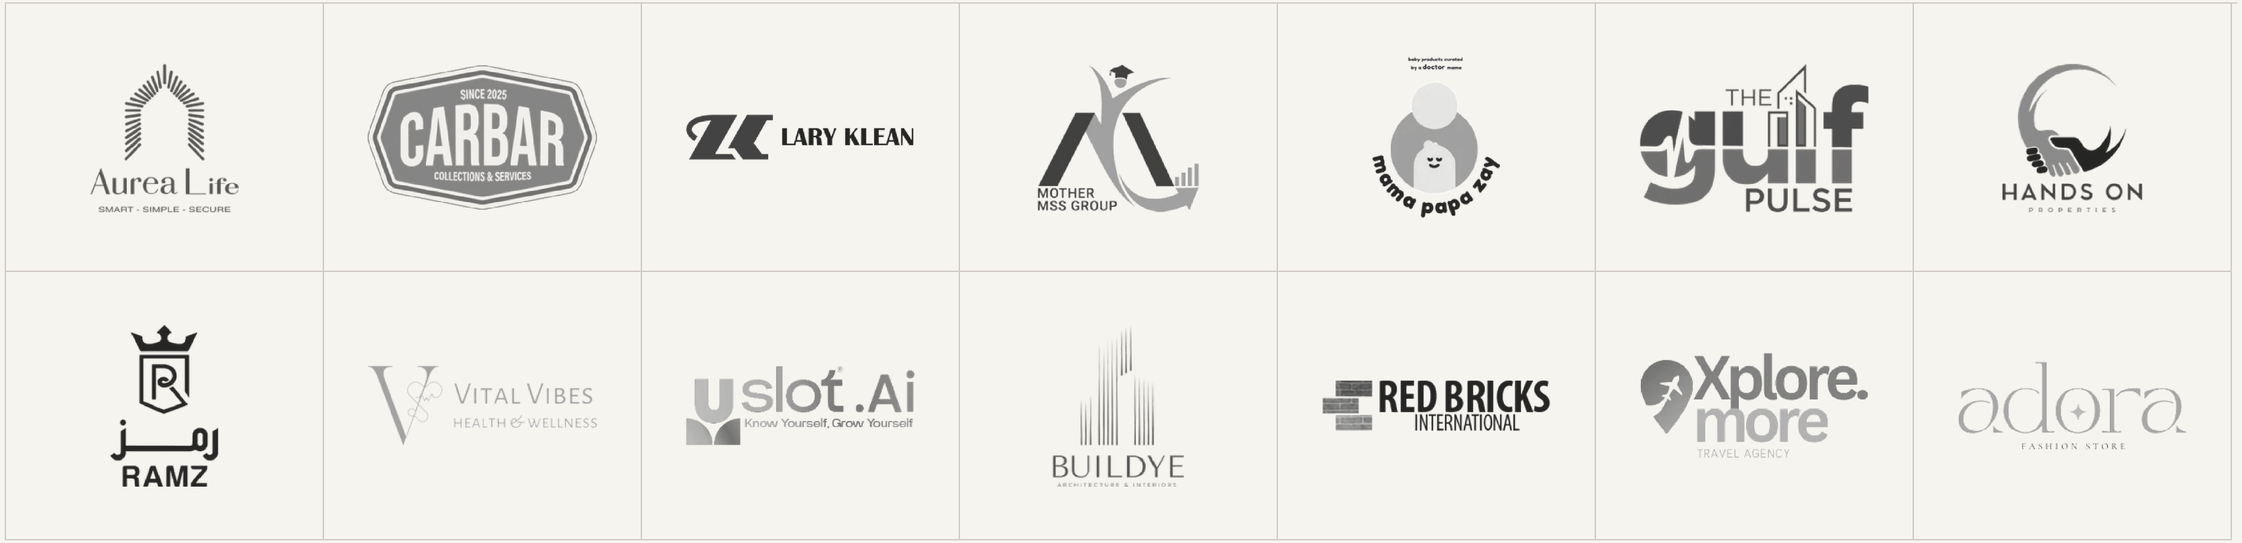

They come back and tell someone, with follow ups and monthly reports.

Monthly growth plans

CLIENTS

CASE 04 · EDUCATION

Creative education institute

Three months of Meta ads built for enrolments, not likes, with short videos that crossed a million views in their first month.

01
Enrolment focused lead forms that filter out casual browsers

02
Click to WhatsApp ads that start a chat with a counsellor

03
Short videos with real tutors that earn reach on their own

1,696
leads and WhatsApp enquiries in three months

70+
high value enrolments from those leads

1.95M
impressions and 13,250 clicks

2M+
views on one video, another past 1M, in a month

CASE 05 · EDUCATION

Digital skills academy

Google Ads for enrolments, plus local SEO built city by city, so the academy shows up when students search for a course where they live.

834
conversions from Google Ads

8.1K
clicks

203K
